

The following physicians have an ownership interest in Gateway Surgery Center, along with Atrium Health - Cabarrus. This means that the fee for the use of this facility may go to these investors. All of these physicians are members of the staff of Atrium Health - Cabarrus located nearby. You have the right to choose to have your surgeon perform your surgery at Atrium Health - Cabarrus instead of Gateway Surgery Center. Please notify your surgeon so he/she can make the necessary arrangements.
